Private Lessons:

San Dieguito Tennis Club and MO Tennis Cancellation Policy:

We understand that unanticipated events happen occasionally in everyone's life. It is our desire to be effective and fair to all clients, the following policies are honored:

24-hour advance notice is required when cancelling an appointment.

This allows the opportunity for someone else to schedule an appointment. If you are unable to give us 24 hours advance notice you will be charged the full amount of your appointment. This amount must be paid prior to your next scheduled appointment.

Rescheduling

If the player needs to reschedule a lesson, the coach will make every effort to accommodate the player's schedule. However, rescheduling is subject to availability, and the player may still be charged for the lesson if a suitable rescheduling time cannot be found.

Inclement Weather

For the safety of the students and for equipment maintenance reasons, classes will not be conducted on wet courts / surfaces - even if the sun is shining - or if there is light drizzle. Lessons will be re-scheduled to an agreed time or continue to the next scheduled lesson the following week.

Coach Absence

If the coach needs to cancel a lesson for any reason, the coach will provide at least 24 hours notice to the player and will work with the player to reschedule the lesson at a mutually convenient time.

Payment

Lessons must be paid for in full at the time of the lesson or in advance, as agreed upon by the coach and player. If a lesson is cancelled or rescheduled, any payment made for that lesson will be applied to the next lesson.

No-shows

Anyone who either forgets or consciously chooses to forget their appointment for whatever reason will be considered a "no-show." They will be charged for their "missed" appointment.

Late Arrivals

If you arrive late, your session may be shortened in order to accommodate others whose appointments follow yours. Regardless of the length of the lesson actually given, you will be responsible for the "full" session. Out of respect and consideration to your instructor and other customers, please plan accordingly and be on time.

By scheduling a lesson with the coach, the player agrees to abide by this cancellation policy.

Junior and Adult Classes

FAQ

How will I know when my child is ready to move to a different ball?

Our progression plan is based on the notion that impatience and desire to move to a different ball quickly should never override proper development. Players must display a high proficiency in a variety of areas prior to transitioning levels. When children transition too quickly, there is greater likelihood that they will develop technical flaws to compensate for developmentally inappropriate play. We encourage parents to communicate with their child's coach regularly on their progress and skills to work on outside of class.

How long are the sessions? Can my child join in the middle of the session?

Sessions are 6-8 weeks long and students are expected to sign up for the entire length. If there is space available, students are welcome to join midsession. The price will be prorated.

When to Pay?

Payments may vary due to amount of weeks the session is lasting. There will more no automatic payments unless specified. Please make a payment before the new session starts.

Make-ups and refunds?

There are no refunds or class credits. However, we have a make-up policy that allows students to make up missed classes Monday through Saturday during the same session (have to be scheduled with Michelle); Make-up classes can NOT be transferred to the following session. In case of heavy rains, additional make-up classes may be added on weekends. Please inform us when you are coming for make-ups.

What to bring?

Sports clothing and tennis shoes are required for all the students. Bring your own tennis racket or you might borrow one at the club with some recommendations to purchase.

Can my child attend on a non-registered day?

Students MUST attend on their registered day(s) only. Requesting to makeup a class on a non-registered day may be allowed but must be approved by Michelle first and only if space is available.

Parents on Court:

During each class, there is plenty of seating for parents outside near the tennis court, as long as there are no distractions to the students. Please help us keep the kids focused!

Keep your kids close to you when they are outside the courts. Cars pass quite near the junior courts.

Pick up your trash when you leave.

Please leave your dogs at home. No dogs are allowed on club property.

Turning off your headlights when parked. When waiting to pick up your kids during twilight and dark hours, switch your lights off. It is difficult to play tennis on Court 7 when headlights are beaming right into the court. Please do not wait by the fence, safely park in one of the spots.
